

SCHEDULING SUMMER COURSES

Courses accurately submitted in R'Summer by January 16, 2026 will be included in the schedule of classes published on March 2, 2026.

Timeline: Scheduling through Registration

Summer Scheduling Reminders

- Submit summer schedules in R'Summer, *not* Banner.
- All required activities (lectures, discussions, labs, screenings, etc.) must be offered and meet for the same number of overall hours as indicated in the course catalog.
- Course meeting days, times and modality (in-person or online) **MUST** be correct by the R'Summer Submission Deadline.
- Courses can only be offered online if they are approved with online modality in CRS.
